

atrio[®] Professional Earphones

QUICK START GUIDE

1 TRY THE DIFFERENT FIT OPTIONS

We ship our medium EarFills™ dual flange sleeves installed. Try the additional sizes included as well as the ComfortFit™ foam sleeves to ensure the correct fit, feel of the bass, and for maximum Ambient Noise Reduction.

2 CONNECT TO YOUR MEDIA PLAYER

We recommend starting with the volume "off" and slowly increase to a comfortable listening level.

3 TURN OFF THE EQ, OR SET TO "FLAT"

Turn OFF "Soundcheck" (iPod®, iTunes®, or iPhone®).

Turn OFF any "bass boost" or "enhancement" effects.
