

FUTURE SONICS DELIVERS WITH 50th GRAMMY AWARDS' BIG WINNERS

Summary: With more than forty nominated clients in more than thirty categories, Future Sonics' presence brought their signature sound to more of the winners and nominees at the 50th annual Grammy Awards than any other brand.

[Bristol, PA] -- February 11, 2008: Future Sonics is pleased and proud to announce that their clients were big winners in nearly every category and style of music at the 50th Annual Grammy® Awards. The company's Ear Monitors® brand professional earphones were the products seen on stage during most of the broadcast's live performances.

"Once again, the best of the best were chosen by their peers at the Grammys. We feel honored and humbled in somewhat the same way as our Ear Monitors® brand continue to be the professional earphones chosen by the biggest and best names in music today," reports Marty Garcia, founder and president of Future Sonics.
